Besides the leave for four months admissible to Mr. Edwin under F.R. 86(a), he has also earned two months leave during the period of extension of his service from the 29th September 1939, under F.R.86(b). The leave for two months applied for may therefore be sanctioned.

The pay and allowance attached to the post of the Ex. Engr. are as follows:-

Pay.....	Rs. 500-25-625
Civil Works allowance.....	Rs. 100
Motor car allowance.....	Rs. 75

The P.M.C. suggests the appointment of Mr. K.P. Kalappa, Assistant Engineer, to officiate as Ex. Engr. during Mr. Edwin's absence on leave and recommends the grant to the officiating incumbent of the following pay and allowance:-

Pay.....	Rs. 400
Civil Works allowance	Rs. 50
Motor car allowance.....	Rs. 75

It will be seen that it is not proposed to grant Mr. Kalappa the minimum pay of the post or the full allowance under civil works. A reduction of Rs. 100 is made in pay and Rs. 50 in the civil works allowance. The Resident can sanction the reduction under F.R. 35. In the case of the officiating Health Officer also we recently sanctioned a reduced pay.

It is proposed to appoint Mr. V.P. Kumaraswamy Mudaliar, Supervisor, to officiate as Assistant Engineer, on the

minimum pay of Rs. 250 plus Rs. 50, the motor car allowance attached to the post. He has acted in the post previously on the pay now recommended.

The P.M.C's recommendations may be accepted.

V.V. 7/8.

Under F.R. 86(b) an officer retained in service after the date of compulsory retirement can during the period of extension take the leave earned by him during that period plus the leave refused before extension of service subject to a maximum of six months on each occasion. Mr. Edwin was refused 4 months' leave before extension of service and he has earned two months' leave during extension. He can therefore now take leave up to a maximum of six months. He has applied only for two months' leave and he is entitled to it.

Under the existing orders Mr. Edwin is due to retire on the 29th September 1942, or the date of Retrocession whichever

whichever is earlier.

10 Under supplementary Rule 6 D the portion of the allowance during leave is limitted to Rs.45 per mensem. The P.M.C. has limitted the allowance to Rs.25 per mensem or Rs.50 for two months. This may be sanctioned.

11 The information regarding the maintenance of the Car should have been mentioned in the leave application. In that case a certificate that Mr. Edwin would return to the post could have been included in the order granting the leave as required by S.R.6 D(ii). Sir,

I have the honour to forward herewith an application from Mr. J. W. Edwin, Executive Engineer, Municipal Commission, for four months' leave on average pay preparatory to retirement.
